

PNC UPDATE---10-7-2018

Good Morning! This is the Pastor Nominating Committees fifth update.

The follow are a few facts:

45 PIFs have been received to date

45 PIFs have been printed and distributed to the team to date

45 PIFs have been reviewed and rated

A small handful have been held for further review, -an even smaller handful were sent supplemental questions to answer and provide more information about themselves.

We are currently praying and reviewing the answers. We all haven't heard the Angels sing yet.

From this point forward we will be exploring other avenues.

So AGAIN we ask that you Pray for us in finding the Pastor that GOD already has chosen for our church

Thank you for listening and your time
