**Children's Worship Is
Learning to Use My Bible**

Each Sunday for the next few weeks in Children's Worship, your children will be learning how to use his/her Bible. They will learn how to navigate the Old and New Testaments, Psalms, and much more. Now is the time to lay the foundation for the special importance the Bible will have in their lives. Your child(ren) will each bring home their own Bible to practice using with your help.

We continue to collect food for Arlington Community Services for our FLAME missionaries to deliver and stock on the shelves on July 14.

Last year we collected 700 lbs. of food. Let's beat that this year!

ACS is serving twice as many people as they were last year at this time.

God provides abundantly; please share with those in need.

Drop your donations in the narthex or church office.
