**First and Third Wednesday Night Programming**

Beginning September 2, 2020  
6:30-7:30 p.m.

*Bridging Differences: The Practice of Radical Hospitality*

How do we as individuals and we, THE CHURCH, accept, embrace and work to bridge differences? What is radical hospitality? What does the Bible say to us about this? Where do I as an individual fit in?

Pastor Jonathan and other speakers from the community will help us have sometimes uncomfortable conversations with the hope of discovering real ways we can move from simply talking about diversity to bridging the differences.
