

PNC UPDATE from Chris Gesdorf, Co-Chair
April 8, 2018

First of all, I am bringing words from **ALL** of the PNC team. We want you to know how **honored, humbled, and blessed** we are to be serving you in the search for our Pastor. Please know that the Focus Group meetings are so **very important** and that we take **all** that is said into our search for a new pastor.

Each meeting starts with **TIME** in the **Word**. We read the selected passage several times and then discuss our understanding of the passage in depth. Only to say that we pray that **GOD** will make it so apparent to us of whom he has chosen to meet the needs of our church and people.

We have gotten to know each of our team members and their strengths. In addition we are in constant training……

Training in the Process

Training in the Procedures

Training in Terminology **AND**

Training in Patience

WE are **ALSO** asking something from **YOU**……That is… **PLEASE** be in **PRAYER**.

We want to do the **BEST** job for **you** and **GOD**!
THANK YOU FOR LISTENING AND YOUR TIME--
