

PNC UPDATE from Chris Gesdorf, Co-Chair
May 20, 2018

Good morning.

This is the second update from your PNC team. Since April 8th, the last update, we have had 5 meetings.

At these meetings we have:

1. Reviewed and got a clearer understanding and flow of the Ministry Information Form-better known as the **MIF**.
2. Attended 7 Focus Group meetings-and we appreciate all the comments that were given.
3. Received and dissected the Analysis report

The Session will receive and review the Analysis report on May 24th.

On June 10th at the 10 hour, you, the congregation, will receive a review of the Analysis report.

There are 5 narrative questions on the MIF that the PNC will need to answer with only 1500 characters per question, using the data received by you at our Focus Group meetings. Along with the narrative questions the MIF includes data regarding specifics of our church and congregation.

So, that brings us to now... we are meeting to formulate the answers to the narrative questions. When we have the MIF completed we will submit it to the session. Once they have reviewed it we will then submit it to the Presbytery.

So, AGAIN, we ask that you PRAY for us in finding the Pastor that GOD has already chosen for our church.

THANK YOU FOR LISTENING AND YOUR TIME.....
