

## PNC UPDATE

July 29, 2018

*This is the fourth update from the PNC. And I am so very humbled, proud, and honored to introduce to you once again, the members of your PNC team. Maryellen Beleitti, Wezi Blunt, Ryan Gulick, Alice Harper, Tod McVey (my Co-Chair), Bruce Neu. These family members have been working diligently in perfecting our MIF—Ministry Information Form. Just want to give you some data: To date we have met 25 times, each meeting has been 2 ½ to 3½ hours in length and sometimes more than once a week. Cindy tells us we have completed the MIF in record time. Most PNCs take 2 to 3 weeks to complete one of the five narrative questions that are fairly lengthy and involved. We DID NOT take that long.*

*We have submitted the MIF to the Session and they have approved it!! We are able to announce that the form has been submitted to our Presbytery and they have approved it. We will need to complete a few steps THEN, we will be ready to pull our first match (this is like Match.com). Our work will be to review the Personal Information Forms (PIF) of the pastors with whom we have been matched, to discern God's called Minister for our church.*

*So again we are asking for your fervent prayers.*

*Thank you for listening and your time!*
