

### Wednesday Night Study Luther's Eyes

Martin Luther changed church forever. Join us for our last class on April 22, 7 pm, Fellowship Hall, where we try to see the world through his revolutionary eyes. How did he change our views of vocation and the priesthood? You're invited to come find out, and to give input on what we want to cover in the Fall.

### Wayfarers Group

Are you retired, have some free time during the week and would like to visit places of interest, both locally and within day trip distance, The "Wayfarers" may be what you are looking for.

The Wayfarers is a group of people who seek out educational and/or interesting places to visit and even some unique places to eat. If this sounds like something you want to know more about, please join us for discussion and planning on April 30, at 10:30 am in the Fellowship Hall.

Contact Jane or Herb Ramsdell at 904-813-4448 or just come to the meeting.
