Have you ever wanted to sing with a choir? Come join the Summer Choir starting in June. We will meet each Sunday morning at 9:30 am in the Sunrise Room to rehearse the hymns for the day and anything else special that we may do. No long-term commitment is required. Contact Duane Carter if you have any questions at dcarter@hbpcusa.org.

Wayfarers' Outing June 18

A look at Jacksonville. The complete route has not been set - some walking - lots of looking - always eating - maybe some ice cream.

We will depart Hodges at 9:00 am and return mid-afternoon. The cost will be your food and your split of the gas. Anyone interested in participating must text or call Herb Ramsdell at 904-813-4448. The church bus holds 13 people on a first come bases, others may carpool.

The church is seeking volunteers to count our Sunday offerings. We need two individuals each week. In the past, the schedule was set with each pair volunteering for a particular week of the month (i.e., first Sunday, second Sunday etc.). Counting can occur after the service or the next morning following the service. Training provided. Contact Ray Brandstaetter at rbrandstaetter@hbpcusa.org.
