

Let's do Dinner

Would you like to get to know some of the other members at Hodges? Here is a great opportunity. Our Let's Do Dinner/Lunch groups are starting a new rotation (6 months) starting in September.

There will be 6-8 adults in your group and the group will choose what they want to do. Some groups eat dinner, some lunch. Some choose to eat at restaurants, some in homes, some covered dish, some cookouts, y'all decide. After 6 months, our groups will change again.

Call Jane (904-237-6103) or Herb (904-813-4448) if you would like to participate. Please let us know by August 16. We will put the new groups together in mid August.

The church office is still in need of one volunteer to help count money the second Sunday of each month. If you are interested, please contact Ray Brandsaetter. Training provided.
