

Youth Missions

Time and Talents

The Jacksonville Humane Society provides care, comfort and compassion to animals in need while engaging the hearts, hands and minds of our community to bring about an end to the killing of abandoned and orphaned shelter animals.

Baby Bundles provides a bag full of necessities – baby outfits, blankets and the like – to mothers in need as they leave the hospital with their newborn. The contents of each bag are worth about \$305, helping families begin parenthood on the right foot.

Provide holistic, wraparound solutions for families. The connections, support and solidarity that equips families with the tools and resources to ignite their respective path to upward mobility and sustained economic stability.

Arlington Community Services

Provides food assistance in the Arlington area.

Each day, we serve 1,200 people in Charlotte experiencing homelessness and extreme poverty. We offer everything from street outreach and basic services, to shelter and housing. We believe that home is critical to provide safety, stability, and dignity in people's lives.

Crisis Assistance Ministry helps Mecklenburg County families experiencing poverty with life's most basic needs: emergency financial assistance for rent and utilities, clothing, household goods, furniture, beds, and appliances provided free-of-charge. To help families achieve self-sufficiency, customers are empowered through one-on-one coaching and strategic collaborations to remove barriers to economic mobility.

Charlotte Rescue Mission provides a faith-based, residential recovery program at no cost to participants. The program is modeled after the 12-Step Alcoholics Anonymous curriculum, but our program completion rates are **twice the national average**. Our program has one significant difference that sets us apart – clinical substance abuse counseling within a Christian context.

We understand that the vast majority of people with disabilities never have the experience of independently riding a conventional two-wheel bicycle during their lifetime. Research shows that over 80% of people with Autism and 90% of people with Down syndrome never experience this thrill. Defying these odds is why we exist!

North Florida School of Special Education serves students with intellectual and developmental differences in the greater Jacksonville area. Our NFSSE students receive a quality education, work alongside our teaching professionals and resource therapies staff to improve their academic, vocational and social skills, and participate as contributing members in the community.

We believe that Christ's love compels us to change the world through serving our neighbors. We are a Christ-centered, holistic ministry providing services for at-risk families in Charlotte, moving them toward sustainability; with a key focus on the international and refugee communities.

Sanctuary on 8th Street - Founded as Urban Ministries of Springfield in 1992, Sanctuary on 8th Street now provides after-school, summer camp and homeschool for about 100 youth ages 5 to 17 from nearby low-income neighborhoods. About 45 children attend after-school activities that include tutoring, recreation and field trips.
